DREAMS RIDE ON OUR BUSES

Buses carry more than passengers and backpacks. They carry future brain surgeons, political science teachers, jazz band clarinetists and purple-heart heroes. They carry dreams of all sizes. Nobody grasps this more than us. Because at IC Bus, we believe the only way to build a better bus, is to understand what goes into one.

NAVISTAR

THE BE SERIES

The BE Series school bus from IC Bus is the perfect bus for all dreamers. Perfect because it was built on big ideas based on what you need in a bus. Big ideas like integrating the body, chassis and engine. Big ideas like not building it on a van platform like other small buses. And big ideas like building it for a 12-year life instead of a 7-year life like typical Type A buses. And it's even backed by a big time warranty.

Add to all this: full power hydraulic brakes with ABS and ATC, a MaxxForce® 7 engine and an Allison 1000 PTS transmission, and you'll find that IC Bus has its riders in mind by using big thinking to make the best small bus on the road.

WHEEL BASE

- 158"

TRANSMISSION

- Allison 1000 PTS

FRONT SUSPENSION

- 7,000 lb standard

REAR SUSPENSION

- 9,000 lb spring standard
- Higher ratings available

CAPACITY

- 14-30 passengers

OPTIONAL EQUIPMENT

- Factory-installed IC Air™
- Multiple wheelchair tie-down positions

EXTERIOR

- 16 gauge side sheets
- Easy-tilt three-piece fiberglass hood
- Roped-in front windshield

BRAKES

- Full power hydraulic with ABS and ATC

INTERIOR

- 78" interior headroom
- Visual and audible alarms for low fuel, oil, voltage, coolant and high temperature
- Leave No Student Behind® post-trip inspection alarm system
- Integrated body, chassis and engine warranty
- Multiplexed wiring system
- Flat floor
- Electric entrance door
- Water in fuel sensor
- Maximum speed control
- Pebble tread stepwell

MAXXFORCE® 7 ENGINE

- 220hp/560 lb-ft

GVWR

- 16,000-17,500 lbs

DRIVER FEATURES

- Lighted steering-wheel-mounted entrance door control and eight-way light switches
- Cruise control
- Powered parking brake
